Activities and times are subject to change, based on the availability of volunteers and the number of participants attending the activity.

We have a library in the Millennium Room lounge and members can take books or puzzles on the honour system. You can also bring in books to add to our library. There is a large screen TV (VCR/DVD) for your use when activities are not being held in this location.

Members are encouraged to bring board games to the club, to play with friends.
Just find a quiet corner.
